Financial Terms and Conditions

Invoice Due Date: Invoices are due the day they are generated, They are considered "LATE" after 15 days. We charge a monthly service and late fee of \$25.00 per month or 1.75% of the invoice amount whichever is greater. We do offer 30 day net and other terms on a prearranged basis only. Anytime after 60 days invoices may be turned over to a collection agency or attorney for collection. Customer agrees to pay all collection fees, court costs and any other fee associated with collection of the invoice(s).

Tennessee Mechanics Lien: If the invoice(s) are for work at a business, residence or real property a mechanics lien may be placed on the property or business itself until all charges are paid in full.

Devices Left Over 30 Days: Computers are any other devices left at our office or shop over 30 days are subject to be disposed of by any means we deem. All charges pending on the items are still due and payable.

Returned Checks: All returned checks for non sufficient funds will be charged a \$25.00 "Returned Check Fee" regardless if they are prosecuted through court or not.

Services Interrupted: Any service you have with the Mobile PC Guys, Inc may be disconnected for non-payment of services. We are NOT responsible for lost data, lost business or in any other way responsible for content.
